# NEWSLETTER

November is a month full of meaning. It is **Gratitude Month**, and it also includes **Stress Awareness Day** on November 5. Both remind us that while stress is a natural part of life, gratitude can help us feel calmer, healthier, and more connected.

Gratitude does not need to be complicated. Sometimes it is the little things that matter most. A warm meal shared with family, a kind word from a friend, or a neighbor lending a helping hand can ease stress and brighten your day.

Here are a few uplifting ways to practice gratitude this season:

Unplug and Notice: Step away from the news or your devices for a while. Enjoy the crisp air and colors of fall with a walk outside, or spend a cozy afternoon with family or friends over a cup of coffee or tea.

Share Your Thanks: Let family, friends, or neighbors know you appreciate them. A smile, a short note, or a thoughtful word can mean more than you realize.

## **Create Moments Together:**

Gratitude grows in connection. Enjoy a meal around the table, play a game with grandchildren, or simply sit and talk with someone you love.

**Simply Pause:** Take a few deep breaths and think of one thing you are grateful for today. It could be the

comfort of your surroundings, the laughter of friends, or the support of family.

#### **Celebrate the Everyday:**

Holidays are special, but gratitude also lives in daily joys. Cherish the simple moments that brighten life, like the vibrancy of fall leaves, a phone call from a neighbor, or a hug from a loved one.

As families, friends, and communities gather this November, remember that gratitude is more than a holiday tradition. It is a way to ease stress, strengthen our connections, and celebrate the joy of reaching out and appreciating one another. Wishing you a season filled with thankfulness, togetherness, and a very Happy Thanksgiving.

# CRAFTING THANKSGIVING FUN TOGETHER

Gathering together for Thanksgiving is a cherished tradition that strengthens family bonds and creates lasting memories. Engaging in seasonal hands-on crafts offers a wonderful opportunity for everyone to connect, share stories, and express their creativity.

Here are some easy Thanksgiving crafts and projects that families can enjoy together over the holidays:

Handprint Turkeys: Have grandchildren place their hands in non-toxic paint and press them onto paper, then add details like googly eyes, legs and feathers using paint, markers or crayons.

**Gratitude Jars:** Decorate small jars with paint, markers, or stickers. Each person can write down things they are thankful for on slips of paper

and place them in the jar. These can be read together after Thanksgiving dinner.

Thankful Tree: Cut out a tree trunk and branches from brown construction paper and tape it to a wall. Have family members cut out colorful leaves and write what they're thankful for on each leaf. Attach the leaves to the tree with tape.

Fall Leaf Art: Collect colorful autumn leaves and use them to create collages or rubbings. Place a leaf under a piece of paper and rub a crayon over it to create an impression.

Thanksgiving Wreaths: Use paper plates as a base for a wreath. Cut out the center and decorate the outer edge with glued on fall-themed items like leaves, acorns, and dried corn. Or simply cut out leaves and berry shapes from colorful paper and tape or glue them on.
